

# Help with the bills from the Lib Dems

## £800 income tax cut

The Lib Dems are giving an £800 tax cut to over 200,000 Sheffield residents by making sure nobody pays any income tax on the first £10,500 they earn.

## Record pensions rise

The Lib Dems are delivering a fair deal for pensioners in Sheffield. Pensions are up £12.50 a week (compared to 2010) including the biggest ever pensions rise in 2012.

## £1200 off childcare

Parents will soon be able to get up to £1200 off childcare for each child. That's real help with the bills and gives parents more choice about working arrangements.

## Council tax frozen

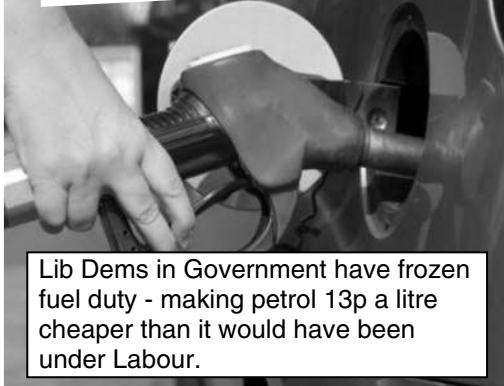

The Lib Dems have kept bills down for 4 years running by freezing council tax.

## Free school meals

All 4-7 year olds will receive free school dinners from September.

## Fuel Duty Frozen

Lib Dems in Government have frozen fuel duty - making petrol 13p a litre cheaper than it would have been under Labour.

### Anger over streetlight installation delays

The Lib Dems are demanding that work to install new street lights in Woodseats is completed as soon as possible - following long delays which have sparked complaints from local residents.

**Cllr Ian Auckland** said, "Residents on Strelley Avenue, and across Woodseats, have had to put up with blocked pavements due to problems installing street lighting. To make matters worse Labour's roads boss in the Town Hall has denied that there are any delays in the street light installation programme!

"Woodseats residents deserve to know when the work is going to be completed - I'm calling on the council to admit there is a problem and set out when it is going to be resolved."

### Action on Woodseats litter

**Lib Dem campaigners have taken action to clear up litter dumped in a ravine behind the Big Tree pub in Woodseats.**

Lib Dem councillors have reported the waste to the Environmental Protection team at the City Council.

Cllr Ian Auckland said "The Environmental Protection team are dealing with the problem and we hope it will be cleaned up soon. My Lib Dem colleagues and I will continue to work to keep our area clean and tidy - if you know of any other problem areas for litter or flytipping, please contact us using the details below."

## Your local Lib Dem team in Graves Park ward

The Lib Dem team are here to help all year round. If you have a local issue or a problem which needs fixing, please get in touch with your local councillors and campaigners, and we will do our best to help. Your local team in Graves Park ward are:
